

### **INFORMATION ABOUT THE M&W CLUB**

The Music & Words Club runs on the second and fourth Thursday of every month at the Hope in Windsor. We aim to create an intimate environment that looks good, sounds great and offers local artists the opportunity to perform original material to an attentive audience. The room is intimate and well attended - we encourage a listening environment offering the same attention for example to an electronic act as what a folk act would expect at a folk club.

### **HOW THE NIGHTS RUN**

Every night there are 6 acts. Out of these 6 acts there is 1 paid act (Featured Performer) who play a 25 min set and 5 unpaid acts who play a 15 minute bookable slot. The lineup is curated to create a dynamic event containing a variety of different types of music, poetry and spoken word. The music style can range from folk, hip-hop, jazz, electronic, comedy and everything in between.

### **FEATURED PERFORMERS INFORMATION**

There will be 1 featured performer slot available on each M&W Club night which will be paid. The featured performer will perform a 25 minute set. The set usually will be in the middle of the event around 9:30 - 10pm - This slot is an invite only and we will not accept applications - We try and give the opportunity for all our regular performers to have the opportunity to perform as a featured act as well as inviting touring acts who we think would fit well with our ethos. The fee is £60 - any other money is used to cover expenses and the remainder is split between the host and sound engineer (which really doesn't amount to much)

### **15 MINUTE BOOKABLE SLOT**

There are 5 bookable slots for artists to showcase material at each event. These are booked in advance with Matt but will not be scheduled time slots until the evening unless the performers put in a special request. These will not be paid. 1 Drink per performer is currently provided by the bar but this could change at any time

### **OPEN SLOTS**

I am not advertising open slots on the evening but any M&W Club artists who show up on the night might be able to perform if time allows or if booked performers don't show up.

### **FREE ENTRY FOR PERFORMERS**

If you are booked to perform you don't pay. If you visit the club any other time and you are not booked to perform then you pay £5 as a spectator.
